

# ASHISH SHUBHAM

## Engineering Leader

📞 +1 (650) 557 6302 📧 ashish.shubham@thoughtspot.com 🌐 [linkedin.com/in/ashubham](https://linkedin.com/in/ashubham) 🌐 Santa Clara, CA

### SUMMARY

Engineering executive and early engineer who scaled ThoughtSpot from stealth to **\$150 M+ ARR**. I blend deep front-end craft with product instinct and people-centric leadership to ship industry-leading AI analytics platforms, file multiple AI patents, and guide 300+ engineers toward a shared technical north star.

I like to run the show business.

### EXPERIENCE

#### Fellow / Vice President Engineering ThoughtSpot

⌚ 06/2015 - Present 🌐 Mountain View, USA  
🔗 <https://thoughtspot.com>

AI powered Business Intelligence and Analytics

- Defined the company's AI-agent architecture, establishing core foundations, coding standards, and execution velocity for 300+ engineers.
- Found and scaled the Developer product suite—open-source SDKs and APIs—into a **\$70M+ ARR** business.
- Drove end-to-end UX excellence with Design and PM, translating research and iteration into pixel-perfect, high-density workflows.

#### Open Source Developer

⌚ 2011 - Present

🔗 [github.com/ashubham](https://github.com/ashubham)

- Creator and contributor to popular open source projects.

#### Senior Software Engineer GoDaddy

⌚ 10/2013 - 05/2015 🌐 Sunnyvale, CA

Engineered core features, and infrastructure for the Website Builder powering **millions of SMB sites worldwide**.

#### Research Software Engineer

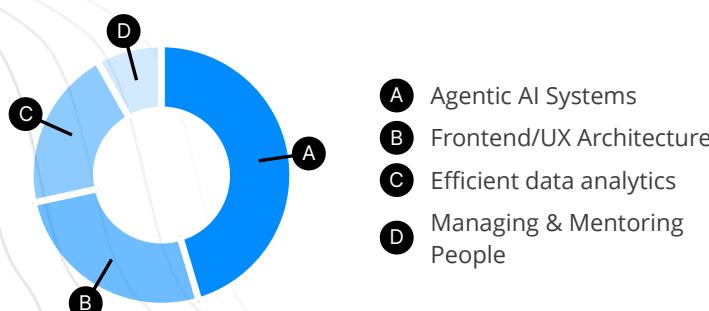

Nokia Research ⌚ 07/2011 - 09/2013

- Architected low-latency location APIs delivering **sub-100 ms responses** to **1 M+ daily users across Asia**.

#### Research Intern

Microsoft Research ⌚ 2009 🌐 Redmond, WA

### AREAS OF EXPERTISE

### AWARDS

#### BuiltIn Tech Innovator Award 2021

Honored as one of 50 barrier-breakers and future-thinkers across the U.S. by BuiltIn's inaugural technologist awards.

### BOOKS

#### Architecting AI Data Systems

IndiePress

⌚ 2025 🌐 [Amazon](https://amazon.com)

### PATENTS

#### Conversational database analysis

US Patent, 2024

#### Natural language question answering systems

US Patent, 2021

#### Intelligent Search Modification Guidance

US Patent, 2021

### EDUCATION

#### BS / MS in Computer Science & Engineering

Indian Institute of Technology, Kharagpur

⌚ 2006 - 2011 🌐 India

### REVIEWER / COMMITTEE

- IEEE Southeast Con 2026
- IEEE Rising Stars 2026
- IEEE Intelligent Vehicles 2026
- GenAI4SM at ACM WSDM 2026
- IEEE FISTS 2026
- IEEE ICBDA 2026
- IEEE ICARA 2026
- GenSE 2026
- BIG Awards for Business 2025

### ACTIVITIES

IEEE Senior Member

Snowboarding, Surfing
